Murphy provides the fullest biographical study to date of Pennsylvania founder and first proprietor William Penn.

## William Penn Autograph Letter Signed to John Rodes

Though Penn is an iconic figure in both American and British history, controversy swirled around him during his lifetime. But on appeal, England's highest judges prohibited the penalizing of jurors.

## William Penn's "Holy Experiment": Quaker Truth in Pennsylvania, 1682

Fabric mats, including silk and satin, as well as museum mat board with hand painted bevels. At this time Quakers were considered enemies of the state religion, and thus of the state, and they were scorned, ridiculed, imprisoned, and sometimes banished. This action helped establish the independence of juries.

## William Penn's "Holy Experiment": Quaker Truth in Pennsylvania, 1682

Penn realized that the only hope for the Quakers was in America. Format: Hardcover ISBN: 1346599602 Language: English Item Weight: 1. He credits Penn with good intentions in negotiating in good faith with the Leni Lenape or Delaware, while also noting that epidemic diseases introduced by Europeans had so reduced their numbers that they were ceding largely unoccupied lands.
