You are not authenticated to view the full text of this chapter or article. The present study describes the literary devices through which Bernard shapes the monastic existence as a subtle blend of liturgical routine and uncontrollable events and emotions. Miliband tried to suggest that the downfall of communism was advantageous for the Left, given the extent to which the Soviet regimes had long embarrassed Western socialists such as himself.

Studies in Intellectual History of Tokugawa Japan

The course ends with a consideration of the experiences of those who were oppressed during the 19th century, as revealed in their memoirs. Readers will benefit from the comprehensive surveys provided by specialists on topics as diverse as the role of French travellers to classical lands in transforming perceptible reality into narrative textuality, Jacques Amyot's contribution to the reinvention of the novel in the West and the influence of ancient law in France.

Brill's Studies in Intellectual History Online

Now, Jean-Francois Drolet and James Dunkerley have consigned that simplistic dichotomy to history. Illmer, Premier Livre des Procureurs, 1444-1546.

Studies in Intellectual History of Tokugawa Japan

Brill's Studies in Intellectual History has an h-index of 8.

'Studies in Intellectual History of Tokugawa Japan': Chronicling the political theory of the Edo Period

To understand what kinds of epistemologies knowledge-forming ideas dominated and influenced the worldview of the writers and thinkers, scientists, artists, and activists, students immerse themselves in the intellectual climate of the time. The overall rank of Brill's Studies in Intellectual History is 31107.

Intellectual History

Students look at empirical studies on Russia through a sociological lens. Particular readings will include selections from the writings of such authors as Desiderius Erasmus, Martin Luther, John Calvin, and Ignatius Loyola, as well as the decrees of the Council of Trent.

'Studies in Intellectual History of Tokugawa Japan': Chronicling the political theory of the Edo Period

Prerequisite: Earned credit or concurrent enrollment in HMST 101.

Brill's Studies in Intellectual History

The 'new political history' is useful in understanding Labour within a less reductive framework than either the 'high' or 'from below' approaches and in more novel terms than the Left-Right positions adopted within Labour. Contributors include: Henk Dragstra, John Flood, Julian Goodare, Tette Hofstra, Robert Maslen, Richard North, Karin E.
