## FOR198/FR259: Reducing Conflict in the Wildland

The message may include unfamiliar words or convey a value that conflicts with the receivers' attitudes.

### Managing fire risk at the wildland

She goes on to say that there are seldom only two sides in public conflicts. Journal of Risk Research 2 4 : 325—54.

## FOR 112/FR166: Communication Basics in the Wildland

A National Forest supervisor in Alabama regularly meets with a community advisory council, which keeps open an avenue for residents to express concerns and get information Figure 1.

## FOR 112/FR166: Communication Basics in the Wildland

The Institute of Food and Agricultural Sciences IFAS is an Equal Opportunity Institution authorized to provide research, educational information and other services only to individuals and institutions that function with non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, marital status, national origin, political opinions or affiliations.

### What We Can Learn from a Conflict Resolution Expert

There may be two different versions of the facts. However, I would reverse the order, I would ask folks about their perceived need for change, and then assess what would inform those questions.

### Wildland

Each profession has specific words that carry special meanings, and it is easy to forget that everyone does not share your definitions of those words.

**FOR 112/FR166: Communication Basics in the Wildland**

Communicating about defensible space is a good example of an opportunity to address homeowner attitudes.

**FOR 112/FR166: Communication Basics in the Wildland**

Of course, what is successful, and how would we know? Resource professionals and extension agents can use small group activities to encourage people to express ideas, to come up with answers, and to adapt the ideas to their own situation see Figure 2.
