The UK is missing out on a huge skills dividend by failing to invest in ESOL

We would kindly ask you to note that we do not run these courses, and we have no involvement with them. The base rate will increase to £4,188, a faster rate of growth than the core school funding. From an economic point of view, this does not make sense especially when a great number of migrants and refugees bring valuable skills and knowledge which they cannot unlock without being able to speak English.

English for Speakers of Other Languages (ESOL) at Leeds City College

The Adult Education department is planning to offer options for both online and on-campus classes for the fall term. Now they fear even worse cuts to come. Leeds City College is one of the largest providers of ESOL and has one of the highest achievements rated in the UK.

English for Speakers of Other Languages (ESOL)

Critical interpretive analysis of the research data suggests that, despite an apparent awareness of the negative impact of existing power structures on the successful inclusion of immigrants into Scottish society, perceptions across all three stakeholder groups appear to support neoliberal ideology rather than a collective movement towards societal transformation. On an ESOL+ course you can train for the career you want and improve your English through the course. You can progress onto the next level of ESOL or gain entry to a vocational course at Level 1 or Level 2.

ESOL Courses in London

Our sector response articles asking for different comments and opinions to education policy announcements or responding to a report of white paper are usually held in the FE Voices section.

Level 2 English for Speakers of Other Languages (ESOL) (Part Time)

This course can be the first step in your journey to higher education in the UK or at an English speaking university.

ACTION FOR ESOL

The courses are designed to help you improve your English reading, writing, speaking, and listening skills, making it easier to work, study, and live in an English-speaking environment.

We help you to improve speaking, listening, reading and writing in English. The English for Speakers of Other Languages ESOL Study Programme is a one year course where you can improve your reading, writing, speaking and listening skills through fun and interesting class activities, learn more about citizenship and life in the UK for government tests, and gain qualifications in ESOL and maths. But apprenticeships are hardly a like-for-like replacement for the huge array of provision that colleges provide.
