These are the branches of production in which monopolization encounters the least difficulties and has already occurred in several states. Here, too, the war provided an enormous stimulus.

Preussentum und Sozialismus

In order to ascertain the most general sources of this stratification we must keep in mind the tendencies of finance-capitalist development. It must be emphasized that the breakup of society into classes is by no means a consequence of naked force on the part of foreigners, as certain sociologists Gumpowicz, Oppenheimer claim, repeating for the most part what was said by the notorious Duhring. Ritschl, Albrecht, Deutschlands Krise und Konjunktur 1924-1934 — Binnenkonjunktur, Auslandsverschuldung und Reparationsproblem zwischen Dawes-Plan und Transfersperre Jahrbuch für Wirtschaftsgeschichte, Beiheft 2, Berlin 2002.

Preussentum und Sozialismus

Spengler claimed that pursued Prussian socialism through his implementation of social policy that complemented his conservative policies rather than contradicted them as claimed by others. In this regard two types of relations can be distinguished: either the state organization is one of direct

exploitation — in which case the state appears as a union of capitalists, owning its own enterprises e.
