Meeting the challenge of gender equity in community college athletics.

New Jersey State Interscholastic Athletic Association

College athletes today are referred to as student-athletes.

Athletic Directors

Our schools boast numerous team and individual state and regional championships, and many of our coaches have been recognized statewide and nationally for their excellence.

perssongroup.materialsproject.org

Are college coaches overpaid, or are their large paychecks justified by the prestige, visibility, and money they are helping to generate for their schools? Often, there are times when athletes are put into either easier courses or courses whose professors are known to like student-athletes so athletes are able to achieve and receive higher grades Zimbalist, 2001. Retrieved from Proquest, UMI Dissertations Publishing, 3026212.

Athletic Handbook

Foreign pros in college tennis: On top and under scrutiny.

Athletic Directors

Craven 8 suggested the more athletes and coaching staffs are prepared and educated about the cultural differences they may experience while submerged in another culture, the easier their transition and adjustment to the new environment will be.

Handbook

Kristina Estis is a Certified Athletic Trainer for Champion Sports Medicine at St.
