United States Air Force, and he was a fighter pilot in both the Korean War and the Vietnam War, during which he overcame tremendous adversity as a prisoner of war from 1966 to 1973.

### Disability & Socioeconomic Status

The retirement age to receive full benefits continues to increase and many beneficiaries are claiming benefits much later in life to receive maximum payouts, often at age 70. A user who requests a free evaluation will be provided with the name of a subscriber lawyer or advocate who will contact the user to do the evaluation. Teams of SSA staff and vendors began redeveloping the system in an Agile environment, which emphasizes collaboration between developers and business experts to deliver software incrementally.

### The State of Social Security's Information Technology

Project Hope , 32 6 , 1143—1152. And fingers will be pointed at libertarians and other free market types. One of them, Scott Birdsall, went to lots of meetings where he learned about retraining programs and educational opportunities.

### Social Security Act

Bibliographic note: Web version based on Guide to Federal Records in the National Archives of the United States.
