Viola's treatment of Anselm's theological method, showing it to be based on Augustine's exegesis of Sacred Scripture. Benedicti is in continuous form. Grand Rapids: Baker Academic, 2005.

perssongroup.materialsproject.org: The Christological and Rhetorical Properties of 1 Peter (Studies in the Bible and Early Christianity, V. 45.): 9780773476325: Pearson, Sharon Clark: Books

Christ's divinity in the Pauline epistles According to , the superiority of the revelation over all other Divine manifestations, and the perfection of the New Covenant with its sacrifice and , are derived from the fact that Christ is the ; ; ; ; ; etc. The followers of Apollinaris deny either that had any human at all, or that He possessed the higher part of the human , they maintain that the Word supplies either the whole in Christ, or at least its higher faculties. This work will appeal to scholars of church history and patrology.

Academic Subject: Patristics & Early Christianity

The interpretation of the Vita V. Variations in the redaction of the Masoretic, the Septuagint and the other five identified Psalter Scrolls found in Qumran are interpreted as corresponding with the variations in the lunar and solar calendars.

Academic Author: Pearson, Sharon Clark

Regrettably, I can't reply to every letter, but I greatly appreciate your feedback — especially notifications about typographical errors and inappropriate ads. This list will be useful for all New Testament scholars interested in the Jewish and Greco-Roman background of the New Testament. Karlstadt's creative contributions are analysed, and the traditional picture of Karlstadt as an epigone of Luther, challenging his mentor out of spite, are discarded.
