It was about 104 degrees in there during the day. CHAPTER 6 Send In the Clowns I spent part of 1969 working in the studio on the Hot Rats album, and did a few local gigs with Ian Underwood and Sugarcane Harris. I said okay and went there.

## The Real Frank Zappa Book

One guy couldn't hold his breath and came up gagging.

## The Real Frank Zappa Book by Frank Zappa

The wind was a constant factor, and so were the microscopic particles of sand it carried, capable of pitting a windshield till you couldn't see out of it anymore, simultaneously reducing the finest custom paint job to garbage in an amazingly short period of time. We used to spend hours filing Ping-Pong balls into dust with a rat-tail file.

## The Real Frank Zappa Book

Here's the poem i wrote about that trip, which includes a bit about this I read this book so long ago. Zappa wasn't going to write an actual autobiography; nor did he necessarily have the patience to serve as a subject for a biographer nor would his aims probably have consistently aligned with a proper biographer's. I learned to dread the sound of the word 'dentist.

## **The Real Frank Zappa Book by Zappa, Frank**

Second, there were no parts copied for the scores, and I was being asked to pay for this enormous job seven thousand 1970 dollars.
