London: 10 Tips for Riding the Tube like a Local

Dad taped it for me off the TV one night, as he did any film he thought I might get a kick out of. Relative to Connecticut, our data show that New London's latest annual appreciation rate is higher than 80% of the other cities and towns in Connecticut. Even after the death of Brody, Homeland continued to weave spellbinding drama about US foreign policy and the role of the intelligence services.

An Appreciation: Carla Gugino in *Gerald's Game*

. It was originally titled Tales Of Lucy Blue and featured said Blue on an album cover inspired by The Birth Of Venus.

Use appreciation in a sentence

David Kessler became my hero.

London, an American appreciation by Slonim, Ruth

In his works, he uses a distinct style of writing, such as folk tales to hold and regulate contemporary experience, compiles juxtaposition of different voices, traditions, and communication, and targets on form to act as the bearer of meaning, thus leading many of his biggest fans to consider his poetry an equivalent with modernism.
