About the same time that the Teamsters Union was expelled from the AFL-CIO the Federal Government and the State of Washington indicted Dave Beck on a number of charges, some major and some minor. The levels of the indicators are compared to the pre-determined target values; the difference is a measure of performance. Because log trucks could haul loads of more than 100 tons, they precipitated the construction of an extensive network of logging roads into the national forests and private holdings.

Puget Sound region

Lolita remains in captivity at the Miami Seaquarium. Other workers lived in transitory and fairly primitive logging camps. The postwar years also witnessed the growing power of the environmental movement, which sought to keep loggers out of large sections of Washington's forests.
