Penrose

Spencer's modernist impact on the Penrose was immediate: his first cover is printed with a stark gothic sans serif at roughly a 40° angle to the spine. The tutors are really caring and helpful all of the time and are super supportive. If you study over in Canterbury, you will be in close reach of the city centre, where you will find theatres, cinemas, galleries, shops and restaurants as well as an iconic Cathedral.

Penrose Annual

A clean copy with no previous owners' markings or inscriptions. Our classes are not too big and we often have small group sessions where we have 1 on 1 time with the tutors. Very minimal wear and tear.
