The Rights of Woman was not reprinted until the middle of the 19th century and it still retained an aura of ill-repute. Discrepancies were resolved in a consensus meeting. Dual-career mutual adjustment: Potential effects of discriminatory managerial attitudes.

### Video: Going Digital

It should be noted that the same pattern appears to hold for African-American families: Parents who attended church frequently cited the

significance of religion in rearing their children and in providing moral guidelines. Then, the Supreme Court ruled in 2017 that it is unconstitutional to permit the marital rape of minors between the ages of fifteen and eighteen, thereby enabling wives younger than eighteen to allege marital rape.

### **Challenges for Science Education**

Since then, the share of such births has nearly doubled. Although there were no significant differences between other types of physical violence, cohabitating women were almost two times OR: 1.
