has started and help you plan for any modifications or adjustments that might be needed during the life cycle of the project.

## List of HR policies

At the same time, many agencies working with co-operatives do not recognise or understand their specific governance and histories, for example attaining fair trade certification is a common one and for which the setting up of the co-operative is seen as a formality and not the labour intensive and time consuming process it actually is. CO-OPERATIVE PRINCIPLES: The co-operative principles are guidelines by which co-operatives put their values into practice.

## HR/LR Policies / Minnesota Management and Budget (MMB)

The Consultant Guidelines define the procedures for selecting, contracting, and monitoring consultants required for projects.
