history of photography

The images show Americans from every part of the nation struggling against the Great Depression and the Dust Bowl, and later, mobilizing for World War II. Up until just a few years ago, her *Lady in a Fur Wrap* was—and in many circles still is—attributed to El Greco art historian Maria Kusche continues to the question.

At the same time, Gertrude was losing interest in Matisse.

Researching Old Photo Studios to Identify 19th Century Photographs

The Genius of Photography is on BBC4 at 9pm every Thursday night. His early portraiture was stripped down, direct, completely at odds with the Victorian neo-classical recreations. So when the picture was later hung in the Parisian apartment of Leo and Gertrude Stein, a brother and sister from California, it made their home a destination.

Love and Demons: The 19th century erotic art of Mihály Zichy (NSFW)

The image is now considered one of the major pre-war photographs of the 20th century. From 1888 to 1916 he produced over 9,000 images which depict Native American life in the Columbia Basin, and particularly Umatilla County, Oregon. Reports of life in Paris tantalized Michael.
