The Indian Society of International Law

India needs bigger ideas, strategies and traction, not careless grandstanding. Jaishankar informed that the Indian government was with more countries; priority will be given to Saudi Arabia, Kuwait, Japan, China, and Singapore.

Religious Persecution at Home and Abroad: The Case of India

They can effectively contribute in the expansion and growth of pharmaceutical industry. A Rand Corporation study has analyzed the impact of various Diasporas on security of West European countries.

The elephant that didn't become a lion

Germany, producer of the famous Pfizer vaccine, which remains to this day one of the most reliable and least risky vaccines, firmly opposed it. Similarly, with greater effort and coordination with the community it would also be possible to get similar access in Australia, New Zealand, Holland, Portugal etc.

The elephant that didn't become a lion

The Diaspora can make a significant contribution to the growth of tourism in India.
