Music: A Direct Means to the Highest

The rise of modern gurus taking inspiration from ancient wisdom is a unique phenomenon in contemporary world.

Music: A Direct Means to the Highest

Every Hari dasa was a composer, a poet and a devotee with soulful music ibid. Then add a laghu to the left for balance. Per tornare alla questione della originale identità tra Tradizione occidentale e Tradizione orientale, facciamo un esempio pratico: la Laminetta Aurea di Turi, trovata in una tomba orfica kern-frammento 24 c.

Tāla Prastāra

They say that music evolves first in an avyakta or unmanifested form, and then in a vyakta or manifested form, which is known either as noise or as sweet music 8. Nakaram praṇa-namanam dakaram-analam viduḥ; Jataḥ praṇagni samyogat-tena nadabhidhiyate.

Tāla Prastāra

Swami Vivekananda put the same idea in a different language when he said that each soul is potentially divine and the goal of human life is to manifest this inner divinity.

Dharma 2015: Sacred and Secular: John Peter Vallabadoss

They display the yearning for Kali expressed in music. Reduce laghu at row 5, column 3 to a druta at row 6, column 3. The gusto with which he preached and the volume of valuable wisdom and experience he impounded in his songs place him among the saints whom we revere for the service they performed by periodic spiritual rehabilitation of our land.

Dharma 2015: Sacred and Secular: John Peter Vallabadoss

Reduce guru at row 4, column 2 to a laghu at row 5, column 2. Then form each subsequent row as follows: 1. Of the various spiritual disciplines

described in the scriptures as means to moksha, bhakti is the easiest and the most efficacious.
