## Committees for Repeal of the Test and Corporation Acts: Minutes, 1827 (nos 143

VII: Segunda Parte De Comedias Madrid '1637' : DE KOCK, PAUL - Memoirs of Paul De Kock : DE SUMICHRAST, S. For to treat the private corpora- tion of our day as a republican government it has more of the old Venetian than American republic about it, and radical changes ought to be applied. This was the last happy conjunction of two nations whose tastes disposed them to friendship, but their rivalries to war.

In this respect Jefferson's conduct was applauded at home by men of all parties; Federalists exulting, moreover, in the exploits of 20 HISTORY OF THE UNITED STATES. Adhering to his chosen policy Jefferson showed himself desirous that others should think well of it; but right or wrong, whatever he did showed a mind of original cast ; he sought popularity, not by a mean subservience to other men's views, but by devising measures which deserved the public gratitude, and pressing them in a manner which would render them most likely to operate.

## Debating Rights, Property, and the Law

Barron, less auspicious than he should have been, proceeded on his course. Not even John Quincy Adams could gain the ear of the Senate for an inquiry which looked to lay- ing aside the experiment after awhile, and substituting the permissive arming of our merchant vessels. Nevertheless, the practice which he thus rebuked was not general, and the national government steadily suppressed the traffic.

## Corporation Act 1661

There was no expression in this act limiting its operation to the case of Protestants; yet on the only occasion when a Catholic ventured to ask for a share in the Indemnity, it was refused on the ground of the act not being applicable to him. Lawrence through the misfortunes of that war which

culminated in the memorable struggle on Montmorency heights, she had sought her earliest recompense by aiding our colonial independence, a most consummate revenge ; and now flushed with her own unparalleled successes by war and diplomacy in the Old World, she purposed gaining another foothold in the New, securer than before, where native zeal might mould and reorganize upon the crumbling establishments of Spain, a nation congenial, like herself, to Latin influences.

It was provided, moreover, that the inhabitants of the ceded territory should continue secure in their religion, liberty, and property, and be duly admitted to the rights of citizens of the United States. Kentucky increased more than threefold between 1790 and 1800 ; but from 1800 to 1810 Tennessee outstripped her in ratio, somewhat more than doubling during those years. In most instances he issued new commissions in form to the obnoxious persons selected by his predecessor and confirmed by the Senate, but some he passed over at discretion.
