The South battalion of the Hampshire militia was a small independent corps of four hundred and seventy-six, officers and men, commanded by lieutenant-colonel Sir Thomas Worsley, who, after a prolix and passionate contest, delivered us from the tyranny of the lord lieutenant, the Duke of Bolton. The servants whom you must employ to feed your furnaces are frequently most untrustworthy. Without due measurement of time no one can sing correctly; he who errs in the measurement of time, errs in the very essence of the singer's Art—and all that err inflict a wrong on Nature.

I was studying wisdom this week, reviewing some of the resources I had recently received. Thus, the true foundation of Alchemy consists in the proper graduation of the work, and in the correct adjustment of heat and cold, moisture and dryness; also in the knowledge that through these qualities others are generated, such as hardness and softness, heaviness and lightness, roughness and smoothness—according to the addition of these primary qualities in certain proportions of weight, number, and measure.

John Sergeant and his Circle

For instance, he delivered the passage again in a speech to the Newcomen Society of England on October 4, 1946 in Montreal , p. His critical dictionary is a vast repository of facts and opinions; and he balances the false religions in his sceptical scales, till the opposite quantities if I may use the language of algebra annihilate each other.

Dictionary of National Biography, 1885

It is, therefore, a common practice among loving parents to forbid their children from being friends with other children whom they think would be a bad influence.

Again, Jesus clearly tells us who His friends are in John 15:14, You are My friends if you do whatever I command you. The advice of a skilful professor will adapt a course of reading to every mind and every situation; his authority will discover, admonish, and at last chastise the negligence of his disciples; and his vigilant inquiries will ascertain the steps of their literary progress. In this district, and in the hundred and parish of Rolvenden, the Gibbons were possessed of lands in the year one thousand three hundred and twenty-six; and the elder branch of the family, without much increase or diminution of property, still adheres to its native soil.
