## Governor's Executive Order No. 7I Offers Local Budget and Deadline Clarification: Pullman & Comley

Applying an equity lens upon program and service delivery means to look at every service offered anew, with a fresh perspective considering what might be done differently to advance equity.

### Administration

A municipal budget is the financial expression of plans prepared by city Department Heads for operating an organization during a period of time and for changing its capital investments, such as a new library or a new skate park or a new fire engine. Maureen MacDonald lives in Halifax. However, the CAP has worked much better than what was there before.

## Governor Lamont's Executive Order 7JJ Permits Certain Municipal Non

The FY22 Operating Budget summary will be published in the FY22 Budget Book released in early April 2021. He is also responsible for presenting recommendations to the Township Committee and implementing the final decision of the Committee.

## Governor Lamont's Executive Order 7JJ Permits Certain Municipal Non

This paper draws attention to numerous elements of budget-making that highlight visual accounting as part of its apparatus. Since it affects the greatest number of residents, most public attention is focused on the real estate tax.

## Municipal Budget 101

By establishing a clear equity mission and goals, adjusting existing programs and starting new programs to meet equity goals, and solidifying funding for these equity focused programs within the budget, local governments will enter a new era of citizen focused governance with an equity focus. In other words, their plan is the ultimate neoliberal plan, i.

## Township Administrator

Participants should have a common set of facts to work from. Provide information to the public in a format that they can understand. I make no claim to being a tax expert.

### **Township Administrator**

Traditionally, public participation meant voting, running for office, being involved in political campaigns, attending public hearings, and keeping informed on important issues of the day by reading government reports or the local newspaper. This information about real estate taxation is designed to explain the process leading to a tax bill and attempts to dispel many of the common misconceptions associated with this often-misunderstood subject.
