## 10 Tips for Organising a Successful Event

. Barbara Lee has been introduced in every Congress since 2011.

## 10 Tips for Organising a Successful Event

If the conference has a fee, participants are generally expected to send it in with their registration. With little access to childcare, family leave, health care, and with insufficient male participation, U. When you discover a new technique or method that clicks with the group, note it on your training materials so it can be incorporated into the training outline to be used in future sessions.

## Engage Your Audience With Interactive Conference Ideas

Some conferences are money-makers, and charge fees that are large enough to pay for the conference and support the sponsoring organization as well. More common, however, is to hand out simple evaluation forms for each session, and one for the overall conference experience see Tool 4 for sample evaluation forms.

## Guides & Workshops

For example, someone is responsible for the registration zone, someone else for greeting the speakers, a different person for the equipment, for catering, communication with the press, etc.

## 34 useful online tools for workshops and meetings. All free!

Break the workshop goal into concrete objectives to achieve during the workshop. Bonus Tip 2: Allow space Many years ago, I went to a

personal growth retreat that literally exhausted me. Project seeks to establish teacher-led faculty workshops and seminars in public and private schools throughout the United States.

### **Resources on Running for Office**

Their personality styles may vary, but they enjoy working with people.

### **34 useful online tools for workshops and meetings. All free!**

For example if I am offering a class that involves a lot of sewing is it too much to ask the participants to bring their own machines? In addition, many conferences include posters or graphic or multimedia exhibits that participants can view independently. A few of us want to organize a virtual ICT4D conference — a — that overcomes the number one problem of every international development event: low participation from low- and middle-income countries.

### **Engage Your Audience With Interactive Conference Ideas**

If so, then try and lay out seats to make it easy for people to work together.
