**Cambridge University worker pictures big wildcat 'the size of a Labrador' roaming around his garden**

April 2021 encourages you to keep thinking carefully before you act. From 1995, there were numerous reports of big cat sightings in other parts of East Anglia, ranging from in south Lincolnshire to Wisbech in north Cambridgeshire.

**Book Reviews, Sites, Romance, Fantasy, Fiction**

In May 2004, the Cambridge Evening News said Vernon Whiterod, a Cambridge University cleaner, had spotted an animal similar to an ocelot - a large cat - in between Histon and Waterbeach.

**The Fen Tigers**

Green had 105 amateur contests, winning 84 with 33 inside the distance.

**When the 'Fen Tiger' was spotted in Cambridge this year**

However, the village people living in the Fens were hotly against this change. It was an all-British fight with all the tickets sold. Designed with everyday wear in mind, Fen features a slightly boxy shape for a flattering, comfortable fit.

**BBC**

Stay tuned to the BBC Cambridgeshire website as we talk to a big cat expert about the likelihood of the Fen Tiger's existence.

**'Large wildcat with big claws' spotted in English garden raising fears 'Fen Tiger' has returned**

He isn't the type who allows his imagination to get the better of him.
