The Snowball : Warren Buffett and the Business of Life (Paperback)

And, as I said, that's just in the first FIFTY pages.

The Snowball: Warren Buffett and the... book by Alice Schroeder

I was pretty tired of the details of all of his business dealings by the end, though I completely understand why such a thorough and detailed biography is called for. You'll learn what it means to be a person of strong core values an inner moral compass. The first pennies young Warren ever earned came from selling packs of gum at 6-years old for a meager 5 cents.

The Snowball : Warren Buffett and the Business of Life (Paperback)

This great American story includes two 16-page black-and-white photo inserts.

Still, it wasn't too much of a distraction.

Review: The Snowball: Warren Buffett and the Business of Life, by Alice Schroeder

Her writings on finance impressed him, and as she came to know him she realized that while much had been written on the subject of his investing style, no one had moved beyond that to explore his larger philosophy, which is bound up in a complex personality and the details of his life. Or rather, what a man. Enjoyable CD set - The dialogue is easy listening as Warren Buffett follows his intuition - To para-phrase: 'A complicated man with simple tastes.
