**Shelley and vitality**

I now believe that absolutely anything is possible and I am no longer limited by my past fears. And since I felt strongly that professional support staff needed a voice in the education system I moved into the role of the president with our local chapter of the Association of Professional Support Staff Personnel APSSP and as well, a vice-president of the provincial executive. You can also use ILLiad to request chapter scans and articles.

Making use of rare books and manuscripts, Shelley and Vitality will be of interest to students and scholars of Shelley and the links between science and literature. Are you caught in a cycle from melancholy to restlessness? In fact, I became so excited and passionate about the lessons I learned and applied along the way, that I decided to leave my very established career to start my own business as a Vitality Life Coach.
