Rulers of England and Great Britain

A few feet of earth will suffice for the greatest monarch, and as regards a funeral pile to draw the eye to his resting- place, a cairn like those that

rise on our northern moors, or a tumulus like that which towers on the plain of Troy, or a mountain of stone like that beneath which Cheops sleeps, will serve the purpose far better than an open ring of monoliths enclosing some hundred or so of acres. Thorfinnus fought at the front of his army, with a gilded helmet on his head, and a sword by his side, while he did great execution with his gear. In the first place, there are several other such dikes in England which are also called Gryme's dike, and this popular name and fiction have arisen out of the ancient language, the meaning whereof was forgotten.
