Adobe Contribute Learn & Support

Select a role for the users you want to add from the Role for the new users pop-up menu. If you use a web-based mail program such as Hotmail or Yahoo! A startup password protects unauthorized users from publishing pages to your website.

Troubleshoot Contribute connection problems

In addition to creating web pages, you can add existing content, such as Microsoft Word or Excel, to your website. If you select an invalid file type, Contribute warns that you cannot select this file and provides a complete list of invalid file types. Action Shortcut Check spelling Make selected text bold Control+B Make selected text italic Control+I Underline selected text Control+U Set left alignment Control+Alt+Shift+L Set center alignment Control+Alt+Shift+C Set right alignment Control+Alt+Shift+R.

Macromedia Director 3.1/3.1.3
