To Flower and Fructify: Rational Religion and the Seeds of Islam in Nazir Ahmad's (1830

Edited by 'Ālam Khūndmīrī and Muḥnī Tabassum

Guftugu

Originally from Ahmedabad, Gujarat, Riyaz Latif is currently a professor at FLAME University in Pune. He works as the adviser for the Center for the Study of Islam and the Middle East in Washington D. Accordingly: Hai tah-e gardūn agar ḥusn mēn tērī nazīr Qalb-e musalmān mēn hai aur nahīn hai kahīn 1989, 390 If under the heavens, there is an equal to your beauty It is in the heart of the Muslim, and nowhere else.

Sayed Hassan Akhlaq

Here the argument is advanced that there are common and multiple meanings of rationality in the Islamic primary sources and that doctrine, , and , open considerable space for the rational and the secular in Islamic teachings.

Sayed Hassan Akhlaq

Cultural heritage and contemporary change.

Sayed Hassan Akhlaq

They advocate verve, reflecting the selfhood of their executors; ultimately, it is the presence of the palpable exertions of the mard-e khudā in an architectural edifice that bestow upon it an enduring worth.

Guftugu

The section on Islam illustrates this.
