State council of educational research and training (scert)

The scales were introduced in three annual stages but before these were fully implemented a voluntary abatement by the teachers of five per cent of their salary was made in 1923 in sympathy with the drop in the cost of living.

Ministry of Education and Training partners with Save the Children to safeguard education across Tonga

In addition to capacity building and mentoring, she has also been provided access to a laptop. Report of the Committee of fifteen on elementary education with the reports of the sub-committees: on the training of teachers; on the correlation of studies in elementary education; on the organization of city school systems : National Education Association of the United States.

Records of the Salaries Branch and Burnham Committees

The government adopted the recommendations of that commission and the Education Ministry set up two teams to formulate practical recommendations for improving the teacher training system.

Teacher training

Teacher registration began in 1914, although records include those who started their careers from the 1870s.
