**Ono Ha Itto**

Even so, Honami expressed enough consideration for his privacy that she didn't push the issue any further when he didn't seem to like talking about it. Staff were very friendly and enough English was spoken to communicate sorry I do not speak Japanese. Whilst the store didn't hand her over to the police, the commotion about the theft she committed still did spread beyond her control.

**Ryo Shihono**

P herself since he also had that same idea but didn't use it. Suzune explains her strategy in full detail the plan was devised by Kiyotaka to blackmail and trap the the three suspects using the security camera as that was the only solution left to help Class D protect Ken.

**Sengokuhara Shinanoki Ichinoyu. Hakone, Japan**

After this, Kiyotaka uninstalls the security camera and handed it back to Honami, promising the latter that he will make sure to repay her with the private points she loaned him. When her teacher suggested looking out for Kiyotaka as one of those students, she seemed to see her teacher is right about watching out for Kiyotaka before wondering why he hides his amazing capabilities.
