Lees er meer over in ons. In addition to discussing the background to the works, issues of critical reception are addressed. The organization's promotion of folk song is also examined and reveals the Institute's contribution to the Folk Revival, as well as providing a valuable context within which to understand the National Federation's first music commission, Ralph Vaughan Williams's Folk Songs of the Four Seasons 1950.

### Beyond Jerusalem : music in the Women's Institute, 1919

The Institute's promotion of conducting - a regular part of its musical activity since the 1930s - is discussed within the context of embodying overtly feminist sentiments. However, this book looks beyond Jerusalem by examining the full range of music making within the organization and locates its significance within a wider historical-cultural context.
