The court further held the records were not exempt under 1 c , as that exemption protects records created by a hospital for reporting of health-care associated infections in cases of certain bloodstream infections and surgical site infections — and those were not the subject of these records.

OBERGEFELL v. HODGES

In Bowers, a bare majority upheld a law criminalizing same-sex intimacy. The nature of marriage is that, through its enduring bond, two persons together can find other freedoms, such as expression, intimacy, and spirituality. Well into the 20th century, many States condemned same-sex intimacy as immoral, and homosexuality was treated as an illness.
