She returns on leave after four years to her home in Bhowani, where supporters of are campaigning for while communists, led by a revolutionary known as Davay, foment riot and sabotage. He seems to grudgingly accept Anglo-Indians this may not be fair, and I would like to see someone else's perspective on this and saves his deepest respect for the Gurkhas, Sikhs, and the Indians who allied themselves with the British.

Bhowani Junction DVD

This is the background to the novel. Despite these qualities the story is pretty mundane. All three narrators wonderfully captured the essence of their respective character.

Bhowani Junction (1956)

About Bhowani Junction Magnificent novel of Empire and its aftermath First published in 1954 in the wake of the partition of India, John Masters' great novel Bhowani Junction has increased in stature over the years. This was surely a time of great uncertainty and upheaval; a time when the hopes and ambitions of the British in India were being shattered and turning to dust, whilst those of the Indians themselves were still young, inchoate and ambiguous. Victoria is 28, Anglo-Indian and the daughter of a railway man.

Bhowani Junction: John Masters: Bloomsbury Reader

This period film is a drama of chaos and revolt in which a young Anglo-Indian woman is forced to choose between her two races and twin allegiances when they are reflected in the men she loves. On board is Gandhi, whom Davay meant to assassinate, thereby inciting further hostilities and riots. It is one of John Masters' seven novels which followed several generations of the Savage family serving in the British Army in India.
