## Reasoning and Sense Making Task Library

The VDOE Rich Mathematical Task Committee, composed of mathematics teacher leaders from across the Commonwealth, created mathematically rich tasks aligned to the 2016 Mathematics Standards of Learning. Fair dice - Probability using standard and non-standard dice in two player games 12. Water Tower How tall is the light? This task is appropriate for students who have had experience in determining equations of linear functions through two points and in solving systems of linear equations.

## Mathematics Pep Performance Task Worksheets

This will turn it into a problem with multiple possible solutions. This means you start the lesson by giving students a rich math task that is just a little beyond their comfort zone.

## Rich learning activities

Potential Skills Involved: Arithmetic Brief Description: What maths can you discover hiding in Pascal's triangle? Also covers triangles and circles 8.

.

## Open

Each task includes a scoring rubric, a set of pre-scored sample student work, and the same set of work without the scores.
