History: Native American Art for Kids

In some religious ceremonies, it is thought that the person wearing the mask would take on the spirit of the animal depicted on the mask. They are within sight of each other.

History: Native American Art for Kids

Pattern Names: The women gave names to various patterns so they could talk about them - the tree pattern, the leaf pattern, the mountain pattern, and so on. Wooden Fish Mask by Unknown Here is a wooden fish mask made by the Yup'ik people of Alaska. Grass was used like embroidery thread.

History: Native American Art for Kids

Over time, the baskets became works of art as the weavers became more skillful using different dyes and patterns in their designs. Why was the shaman so powerful? This is a Navajo blanket woven in the late 1800s. Originally basket weaving was important to Native Americans as a way to make sturdy receptacles for carrying and storing various items.

The Art of the Indian Basket in North America

Most baskets were made in the winter months. Their art is depicted in a number of ways including beading and decorating of clothes, masks, totem poles, paintings, drawings, weaving of blankets and rugs, carvings, and basket weaving.
