BU Research Blog

Culture is the way the social relations of a group are structured and shaped: but it is also the way those shapes are experienced, understood and interpreted.

Piccadilly Circus: The Complete Guide

In this kind of interaction the artefact and its context are subject to multiple interpretations, which are at the same time mutually defining. It is about the whole package coming together, and it is amazing to work with a company who gives priority to that.

► London's Piccadilly Circus

I thought that the fact that we did not have people stuck in trains underground was extraordinary, given what had happened that day, and so we could get on with dealing with those events.

interaction

On his bucket list of events to do is climbing to first base of Mount Everest and 100 mile walking trek on the Wall of China.

The media involvement for us really began very soon after 9. This meant that any messages that were going out were going out from the MPS, and also that we did not do anything that was in conflict with those messages, because it is very important that any media or public information that goes out is well co-ordinated.
