OF FINLAND Drawings

The artist's published stories, including his 26 Kake comics 1968—1986, were the forum in which Tom gave his fantasies the fullest range, and the covers, in particular, were reserved for images that were designed to be iconic, eye-catching, and arousing.

The Darkroom

The work was gathered from collections across the United States and Europe with the help of the Tom of Finland Foundation, featuring many drawings, paintings, and sketches never previously reproduced. To learn more about Tom of Finland, please view this he delivered at CalArts in 1985 at the invitation of Mike Kelley, as well as these articles from , , , , and. These are inspired by the numerous collage montages that can be found at TOM House — home of Tom of Finland Foundation — covering entire pieces of furniture, in nooks on walls and ceilings, and even on the rear end of a vintage car.

Tom of Finland XXL

Each drawing could consist of several references from several different photographs. Beginning from the late 1930s, Laaksonen made sketches and various drawings of these men in his.

Tom of Finland Biography, Art, Drawings, Facts

If their publication was associated with the burgeoning countercultural and underground comics movements, the detailed compositions reveal connections to Classical and Renaissance art, demanding that they also be read in relation to the sweep of the Western tradition. The exhibition will also include 4 chromogenic printed velour rugs that feature unique Tom of Finland collages made by Joakim Andreasson. As he confronted the stigmas and stereotypes that long burdened homosexual desire, his depictions of empowered gay men fully enjoying their sexuality proved liberating on social and aesthetic levels alike.

OF FINLAND Drawings

He has published over 100 books, including Sexuality in Western Art and Latin American Art of the 20th Century.

OF FINLAND Drawings

His pattern of that showed men to be in sexually compromising positions, tight dressing, and posing in a sexually appealing manner. David Kordansky Gallery is pleased to present Tom of Finland: 100 Years, celebrating the centennial of the artist's birth.

Tom of Finland

Because of the concentrated and consistent nature of his project, the peripheral variations that creep in become telling indicators of the ways in which the world was changing over the decades.

Tom of Finland XXL

Tom of Finland Touko Valio Laaksonen was very much popular for his very unique way of representing art and the art culture with his drawings that are known to draw attention.
