Women's Hairstyles & Cosmetics of the 18th Century: France & England, 1750

Dissatisfaction with the perceived problems of private prosecution, and concerns with what was perceived as a high and rising crime rate, eventually led to the introduction of full scale paid police forces, first in London in 1829 and later elsewhere in England. Part I: The Private Prosecution of Crime England in the 18th century had no public officials corresponding to either police or district attorneys.

The Kokugaku (Native Studies) School (Stanford Encyclopedia of Philosophy)

This is not a problem if the only incentive is deterrence-I would be happy to have you bear the cost of prosecuting, and thus deterring, offenders who injure me. Appendix B provides two formal models.

Atomism from the 17th to the 20th Century (Stanford Encyclopedia of Philosophy)

The most obvious is as a device for avoiding unnecessary punishment costs. The role of smell in developing medical and scientific knowledge came under intense scrutiny, and the equation of smell with disease was actively questioned.
