## Student Homelessness and Needs Insecurity Guide

Applicants must be homeless or have been homeless while attending school. Resources include food pantries, nutrition assistance programs, health services and emergency housing solutions.

## Navigating Basic Needs at Oregon's Universities and Colleges

Most people assume that to influence the foster system in a positive way, they have to become a foster parent, which is a very difficult thing and not for everyone.

## Food Insecurity Among College Students

Eligible recipients may purchase any food that will be consumed at home, as well as seeds and plants that bear edible food.

## College Hunger 101: Food Insecurity on Campus

What would you say to fellow students who have faced homelessness or basic needs insecurity who do not believe it is possible to attend college? More colleges and universities should consider adopting this approach. Food and Nutritional Administered by the U. What are ways high schools can support students who are in or have previously been in foster care when they are applying to college? Students who are considered independent can apply for a , which relieves them of the requirement to provide parental information.
