Culture of Ireland

While wakes continue to be held in homes, the practice of utilizing funeral directors and parlors is gaining in popularity.

Ireland and the Convention on the Rights of the Child

This section sets out recent legislative observations.

Ecology and Society: Dublin Ireland: a city addressing challenging water supply, management, and governance issues

By 1891 there were only 680,000 Irish speakers, but the key role that the Irish language played in the development of Irish nationalism in the nineteenth century, as well as its symbolic importance in the new Irish state of the twentieth century, have not been enough to reverse the process of vernacular language shift from Irish to English.

Ireland Economy: Population, GDP, Inflation, Business, Trade, FDI, Corruption

But his researches were largely directed to elucidating the biography of Shakespeare and the history of the Elizabethan stage.
