## About Us

In Canada, the CIHR Canadian National Brain Bee is held annually at.

**Scientific foundations of neurology. (Book, 1972) [perssongroup.materialsproject.org]**

This proves further long term studies are needed to gain enough understanding to allow for successful clinical trials. Many of our faculty maintain leadership roles in local, national, and international research projects and consortia.

## Faculty

Kurian has been a part of the faculty at Westchester Medical Center since 2019. Neuroscience is also allied with the and as well as nascent interdisciplinary fields such as , , , and to address complex questions about interactions of the brain with its environment.

## Faculty

The bilayer that is formed allows the molecule to fully encapsulate any drug, protecting it while it is travelling through the body.
