## The Impact of Divorce on Young Adults

Invite your Ex to see your side with empathy, compassion and authentic concern for the children. Co-parenting requires , patience and open communication for success. When you use your children to convey messages to your co-parent, it puts them in the center of your conflict.

## Parental Divorce Can Have a Lasting Effect on Children's Health

Many parents cannot afford a lawyer because they believe that it will cost more than they can afford. If you haven't heard about parental alienation, you have a lot to learn.

## Why long

But it is rare that one child will face all of the below discussed side effects of divorce. Family therapist Carol Hughes states that adult children do not receive the support that minor children do during a divorce.

## 23 Effects of Divorce That People Don't Talk About, According to Experts

When dealing with divorce, the sooner support is sought, the better. None of what follows, however, is intended to mean that adolescents and parents cannot put a constructive life together after divorce. No matter how you do it, though, try your best to have a plan and plenty of understanding for any emotions that crop up.
