Well you need to figure out what went wrong or you won't get anywhere in this game without cheating.

## Vixen's Voyage

They may have been attacked. In the late 1970s Boleh was sold to a German businessman: he spent £16,000 on refitting her, but almost immediately she was seriously damaged in an arson attack.

## The Voyage Of The Wishbone Boat by Alice C. D. Riley

Its head like, glitched into my Longboat and I shot it to death point blank! A relatively flat underbody, moderate draft fin keel, and semi-balanced spade rudder at the aft end of the waterline, give the Nonsuch design a low-wetted surface which results in good performance. That takes some experience in knowing where to look for silver though.
