Love Rare Books

A VG+ copy of this title, the fifth in Oakley's long running series beloved by readers which began in 1972. Dust jacket is unclipped, has a couple of small chips to head and tail of spine, colours are still vivid.

Trubloff by John Burningham

I have recently got into the band Kroke, perhaps you know them? Some very light sunning to spine, a couple of small and very light marks to rear board, spotlessly clean and bright internally.

Tidy ownership name to front free end paper. The illustrations were the main focus and helped tell the story.
