Lamhfionn and his fleet remained at sea for some time after his father's death, resting and refreshing themselves upon such islands as they met with.

Irish Pedigrees

Baoth, one of the sons of Magog; to whom Scythia came as his lot, upon the division of the Earth by Noah amongst his sons, and by Japhet of his part thereof amongst his sons.

Ireland -- History -- To 1172.

Ireland -- Genealogy.Irish pedigrees - or, The origin and stem of the Irish nation.

-Irish pedigrees - or, The origin and stem of the Irish nation.

Notes: Published as first and second series.

This edition was published in 1876

When Ithe arrived where the Danan brothers were, he was honourably received and entertained by them; and, finding him to be a man of great wisdom and knowledge, they referred their disputes to him for decision. But the truth of our ancient history is strangely confirmed by the fact that the letters of this Alphabet are all denominated by the names of trees and shrubs indigenous to Ireland! The Fomorians are represented as a race of giants, and were celebrated as having been great builders in stone.

The Stem of the Irish Nation

In its time it was one of the most important fortresses in Ireland.
