AAA Travel

Upon returning home, stay home if possible and monitor your health for 14 days.

Travel Destinations and Travel Guides

Some health care systems are overwhelmed and there may be limited access to adequate medical care in affected areas. Take your temperature two times a day and monitor for fever. Wear a mask while in the airport, during the flight, and during any shared transit.

Travel Destinations and Travel Guides

Many countries are implementing travel restrictions and mandatory quarantines, closing borders, and prohibiting non-citizens from entry with little advance notice.

Travel

Tell us where you're flying to. Most viruses and other germs do not spread easily on flights because of how air circulates and is filtered in airplanes.

Travelers

CDC reminds us that when driving, making stops along the way for gas, food, or bathroom breaks can put you in close contact with other people.
