Tao Te Ching

Chapter 21 All right, time for some more seeming contradictions about the Tao.

The Meaning of Essence

It is a step at a time, learning how to live to our essence and for us, that is our Taoist practice.

The Essence of Tao: An Illuminating Insight into This Traditional Chinese Philosophy by Pamela Ball

Welcome to Taoism at the very elemental level, so be open, experiment and embrace what works for you. We are each a blend of many truths. The chapter uses a cool metaphor for this when it advises armies to behave more like a guest than a host.

When honorable men are forced to use violence, they only do it out of necessity.

A Personal Tao

Be One means to be sincere. I drink from the Great Mother's breasts.
