The Minimum Wages Act, The Factories Act and the Employees State Insurance Act were all enacted in 1948.

What Are the Different Theories of Industrial Relations?

Some of the components of HRM are: i human resource organisation; ii human resource planning; iii human resource systems; iv human resource development; v human resource relationships; vi human resource utilisation; vii human resource accounting; and viii human resource audit. With Independence gradually, such institutions as the Indian Labour Conference ILC , the Standing Labour Committee SLC , the Industrial Committees for particular industries etc.

Approaches to Industrial Relations

Consensus can be built by: i.

Industrial relations ideologies

The employer in his turn must realize that the gains of industry are not for him alone but they should be shared equally and generously with his workers. In addition, where the state is itself the employer, or an enterprise is publicly owned, it is of course directly involved in labour relations with the employees and their representatives.
