Thomas Kewley and Alice Bower

It is possible that Alice visited them and thus met Thomas.

Book Typography: The Crystal Goblet by Beatrice Warde

Australian Rendezvous by B Warde; American Printmakers by F Eichenberg; The Talkin Book by Y Hoshino; A Bookbinder makes Paper by J Mason; The Diuturnity of Eric Gill by P Beaujon; Graphic Art in Belgium by M F Severin; Bruce Rogers 1870-1957 by J Blumenthal; etc. I played with all of the grey colours because I saw an AEG advertisement by Behren's and there was a lot of playing with grey on white, and white on grey. Construction began on March 4, 1983, adding twelve new classrooms, a music room, a new library with windows, and a gymnasium.

Beatrice Lady Ward & Angelic Voices

This puts them in the company of groups like The Mighty Clouds of Joy that rarely re-record a song from a previous project.

The crystal goblet : sixteen essays on typography (Book, 1955) [perssongroup.materialsproject.org]

Florence Emma born 1887 in Foxdale, Isle of Man. In 2003 he released his second contemporary Christian album, Testimony, which features a moving compilation of soulful ballads aimed at touching the soul and lifting the heart. It goes — as I know through the war — it goes down into a bomb shelter with you, when nothing else can.

Nancy Ward

Here designer Sara De Bondt introduces a transcript of a rediscovered 1959 interview with Warde. If text is invisible this is achievable, if text becomes too complex, or over designed and no longer invisible it detracts from the story, article or piece of prose it is attempting to describe. Most of the propaganda posters used display fonts, quite often in bright colours, meant to catch your attention.

Beatrice Lady Ward & Angelic Voices

She suffered a heart attack early in the school year and was unable to return. Usually a coal-fired steam engine would be used to remove the water but on the Isle of Man there was no coal. Portrait of Beatrice Warde, 1925, not long after her arrival in London.

'The Crystal Goblet'

I think that this is an effective use of Helvetica because the type is very simple and I think that the city was going for something simple to alert the passerby that there are free newspapers available to them. Phthisis pulmonalis is pulmonary consumption — a wasting disease. I: Do you think good book design can help introduce children to reading? I really love Peter Behren's work, it's very interesting.
