### United States History Content Standards

Conservative state legislatures tried to drastically reduce the abilities of unions to collectively bargain.

### History of the United States

The economy basically recovered by 1936, but had a sharp, short recession in 1937—1938; long-term unemployment, however, remained a problem until it was solved by wartime spending. . The book has its imprecisions and idiosyncracies here and there but is still solidly researched, constructed, and written.

### Introduction to U

For example, in discussing the reasons for the Japanese surrender in the Second World War, they discussed the dropping of the atomic bomb but did not mention the impact of the Soviet declaration of war on Japan in the final days before the surrender.
