Tags: #CATASTROPHISM #AND #NEOCATASTROPHISM #VERSUS #COSMIC #HAZARD: #AGER #VERSUS #ALVAREZ; #CUVIER #VERSUS #LAPLACE

Actualism (geology)

These events would not at all resemble the small-scale natural disasters we experience in our time. However, they miss one key point; that special revelation takes precedence over general revelation when an apparent conflict exists.

Catastrophism Research Papers

This idea emerged and spread among scientists as the theory of catastrophism.

Untangling Uniformitarianism, Level II: Actualism in Crisis

Princeton, New Jersey: Princeton University Press.

Lyell's Theory of Climate on JSTOR

This is known as : the idea that Earth has always changed in uniform ways and that the present is the key to the past.
